

God's New Thing

We need to find our *new normal* while the world is different. Don't be like **Lot's wife** who looked back, **hankering after her old life** as she left the city and was turned to a pillar of salt! Rather look forward to what God has purposed and prepared for you in this season. Read the story in **Gen 19:15-26**.

Is there anything you're looking back at in life? Are you hankering after that which God wants you to deal with (or remove) in order for you to obey Him?

Read **2Cor5:17-21** then take time to pray through your list.

So how do we know what this *new normal* is? It's through **intimacy** with God, when we are regularly spending time studying, praying and worshipping Him that God reveals things to us. Rate yourself on a scale of 1-7 (7 being great) as to where you see your intimacy being. 1 2 3 4 5 6 7 In which areas do you want to improve?

In what way do the following scriptures show how God reveals things.

Isa 43:19 _____

Isa 42:9 _____

Isa 58:11 _____

1 Corinthians 2:7-10 speaks of hidden things being revealed. How does **v9** apply to you right now? Look around - What **new things** has God brought into your life during in this time or prepared for you?

Dream big!!

Is there something you would like to do that you have thought about for ages? Is there something that has laid heavy on your heart for a long time, which you wish you could do something about? Write them below and **pray** into them!!
